LASI board members,

As part of our efforts to secure a place on Metro's Measure R2 project list, we'd like to reach out to each of the County Supervisors on the Metro board. All five supervisors are on the Metro board, so they have a lot of influence and we want to make sure that the LA Streetcar is on the top of their minds when going through this process.

Before contacting them directly, I want to see if anyone on our board has a good relationship with any of the Supervisors (or their chiefs of staff) to help facilitate our contact and possibly join us for a quick meeting or lunch with them in the coming weeks. For the record, these are the County Supervisors:

- Mark Ridley-Thomas
- Hilda Solis (already contacted her chief of staff)
- Michael Antonovich
- Don Knabe
- Sheila Kuehl

If you think you'd be able to help with any of these individuals or their staffs, please let me know.

Thanks,

Shane Phillips, Project Director
